Portable Storage

Product Features

Sleek design with high capacity

This drive is sleek and fast with plenty of capacity for your important digital content.

Local and cloud backup

WD SmartWare Pro automatic backup software lets you choose when and where you back up your files.

- Choose scheduled backup to make a second copy of your files on the schedule that fits your needs.
- Choose automatic, continuous backup to back up files as they are added or changed and saved.
- Use your Dropbox™ account to back up your files to the cloud.

Dropbox account is required for cloud backup. Cloud services may be changed, terminated or interrupted at any time and may vary by country.

Ultra-fast transfer rates

When connected to a USB 3.0 port, My Passport Slim lets you access and save files with blazing speed. Reduce transfer time by up to 3 times when compared to USB 2.0 transfer rates.

Performance may vary based on user's hardware and system configuration.

Universal connectivity

With this drive you get compatibility with the latest USB 3.0 devices and backward compatibility with USB 2.0 devices as well.

Works great with Windows® 8

WD's Windows 8 app makes it easy to discover the digital media stored on your My Passport Slim drive with your Windows 8 computer. Your content is automatically displayed and organized so you can easily locate and enjoy your photos, videos and music.

Secure your files

WD Security™ allows you to set password protection and hardware encryption for your drive to help protect your files from unauthorized use or access.

WD Drive Utilities™ software

Register your drive, set drive timer, run diagnostics and more using WD Drive Utilities.

WD quality inside and out

We know your data is important to you. So we built the drive inside to our demanding requirements for durability, shock tolerance and long-term reliability. Then, we protect the drive with a 3-year limited warranty and a durable enclosure designed for beauty.

Soft pouch included

The included soft pouch helps protect your drive from scratches.

USB-powered

Powered directly from the USB port on your PC. No separate power supply is needed.
